

THE ACTIVITY

For more than ten years Studio Marconetto has been providing professional and competent assistance in the tax, fiscal, administrative and corporate areas.

Some of the main services include: managing of simplified and ordinary accounting, editing and filling in tax returns, opening and editing VAT numbers, drawing up and registering lease contracts.

Studio Marconetto is seen as a reliable consultant for companies wishing to evaluate initiatives abroad. The competence of international rule governing contracts is supplemented with a profound knowledge of foreign markets - gained through decades of experience - and with an expansive and vast network of relationships with foreign operators.

COMPETENCE ACTIVITY FIELDS

STRATEGIC CORPORATE CONSULTING

Supporting companies to become international Studio Marconetto has been present in the sector for many years with key markets in the Middle East, North Africa and currently also in Eastern Europe. We see ourselves as a liaison for Italian entrepreneurs wishing to explore overseas markets, both for local production or for export products or, where required, for know-how and training. We provide the support you need for the initial phase of market analysis and scouting at all levels; activities necessary to minimize the business risk in areas that require precise and constant monitoring and ensuring that high margins of return are maintained. We are a targeted and focused consultancy that can reliably assist you in making sure you select the best international partners.

Studio Marconetto acts as a direct contact between foreign parties and Italian companies, providing basic support such as RATING of the foreign company, its solvency, its area of strength, and above all, what line of business they would like to venture into with the future Italian partners. During this phase we ensure the reliability of the investment with specific knowledge of the steps related to the preparation of business plans as well as the analysis of profitable investments.

CONTACTS AND PROFESSIONAL NETWORKS

While not lacking private enterprise, the economy of the countries in the Middle East and North Africa is strongly related to the grants and wealth held by the state: the supplies directly or indirectly related to public administration are therefore the most interesting investment opportunities significant links with Offices of diplomatic representations: genuine interlocutors with whom sincere and fruitful relationships have developed; a bond that guarantees continuous exchange of information both for current business or business which is likely to start in the short term. In order to ensure timeliness and effectiveness of the interventions we rely on a trusted network of professionals on site.

TAX, FISCAL AND ADMINISTRATIVE CONSULTANCY

Studio Marconetto caters to a wide range of customers: from individuals to medium sized companies, providing complete expert assistance, both administrative and fiscal, thanks to a competent, reliable and professional staff. For over a decade, we have been providing professional services enhanced with experience gained in covering positions of considerable importance - as a Chartered Accountant and Auditor, and with an excellent level of knowledge so as to be considered professionally indispensable for profitable business at all levels.

Studio Marconetto is able to arrange any form and model related to the specific type of declarative tax: from contracts in general to the practices of succession. We also offer, where required, training services as well as a wide range of knowledge aimed at counseling in general. Each practice is handled with privacy, as required by the law regulatory standards currently in force.
